### Work of the week!

Every week a brilliant piece of work is chosen to be 'Work of the Week' and displayed in the school lobby.

This week in RE Year 6 have been thinking about the importance of having hope in our lives when things get tough or we are struggling.

**Dijbril** has written a really reflective prayer inspired by these lessons. He has thought about his own experiences and written about ideas that may be helpful to others.

He has used impressive vocabulary throughout his prayer, presented his work beautifully and has taken a huge amount of pride in his work. **Well done Dijbril!**

**Attendance. Congratulations to Y3 for winning the attendance award this week with 98% attendance.**

**Our attendance should be at least 96%.**

**Please make sure your children are at school every single day unless they are very ill indeed.**

**You will be expected to provide medical evidence if your child is absent from school.**

### Our Prayer for the Week ...

God, Father of us all, we are beginning a new year together in our class.

Help us learn new things this year and to make new friends.

May we open our minds to learn more about you.

May we open our hearts to the needs of others.

May we have a welcoming word for those who are new or who need a friend.

Help us to learn new ways to serve you in love.

Amen
