

St Michael's C of E Primary School Newsletter

Friday 14th June

Dear Parents and Carers,
Thank you very much to everyone who supported our summer term cake sale this week. We really appreciate all the lovely cakes you brought in / made. All money raised will go towards buying more resources for the children to have at playtime.
As usual best wishes for the week ahead.
Ms Dyson Head of School

Go, shine in the world and live as Jesus lived, with compassion, honesty and integrity.

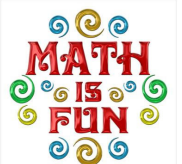

During the fine weather it is lovely to see our pupils spending time in the Peace Garden, quietly reading during their breaktime. Mahalia and Mary really enjoy reading the specially produced children's newspaper—First News!

Dear Parents,
A reminder that children cannot swap between school meals and packed lunches on an ad hoc basis.
We order the food for school dinners in advance and so only cater for a given number each day. If you would like to swap to school meals from packed lunches please arrange this with the office at half term or the end of term, ready to start in the new half term. Please do not try and swap from packed lunches to school meals on a day to day or week by week basis.
If your child forgets their packed lunch then we will give you a call and expect you to bring one in for them by lunchtime that day.
Many thanks for your help with this.

Come and find out how we teach maths from Reception to Year 6.
Learn how to **really** help your child at home—even with tricky KS2 calculations!!!
Ms Whitely will be leading the Coffee Morning this week alongside Ms Nessa so come along and find out how fantastically straight forward maths teaching can be!

Our school website address: www.stmichaels.camden.sch.uk

Please remember if you have any queries or questions, do make an appointment to come and speak to a member of staff. We are always very happy to meet with you. Don't let a little worry become a big one!! :-)

I have received and read the St. Michael's Primary School newsletter of 14.06.19

Work of the week!

Every week a brilliant piece of work is chosen to be 'Work of the Week' and displayed in the school lobby.

Recently **Year 6** have been learning about the importance of the Easter story and how it represents hope to Christians and **Rayhan** has produced a range of superb work about why this story is significant.

His presentation is exceptional, his handwriting is beautifully joined and he takes a huge amount of pride in his work. He has also used an impressive range of vocabulary to describe his thinking and interest the reader.

Well done Rayhan!

Year R had the best attendance this week with 93% .

All classes should have attendance of 96% and above.
