

## St Michael's Pupil Achievement Data – updated 15.09.20

### Attainment at the end of KS2

The attainment of the children in all year groups in 2020 has been based on teacher assessment/ All national tests were cancelled due to the coronavirus in 2020. The teachers used a range of evidence including past SAT papers, monthly tests and evidence in the children's books to make a judgement about each child's end of key stage attainment. The judgements were discussed with and moderated by senior leaders to ensure that they were a fair reflection of each child's attainment.

### In 2020...

Unlike in previous years the school is not able to compare the pupil's progress to national progress of those with similar starting points this academic year as there is no national data. This cohort of children did not complete SATS at the end of each key stage in the same way and as is usual, so calculations cannot be completed with a comparison.
