

Dear Parents

We have attached the term dates to this newsletter for the rest of this academic year and the next two academic years. These are also published on our website.

Have a lovely weekend. Best wishes, Ms Richardson and Mrs Jackson

Snapshots of learning from Year 3 this week...

PSHCE – Pupils writing all the feelings they can think of on the 'graffiti wall.'

Role-play in English – Exploring using dialogue between two superheroes before writing direct speech in books.

Learning about money in Maths – Making different totals.

Rapid Covid Tests are now available for all parents and carers of school age children. You are being offered free rapid, lateral flow tests if you are not showing any symptoms. This is to help stop the spread of coronavirus. Around one in three people with coronavirus have no symptoms, so by booking regular tests you're helping to protect yourself and others.

Book a free, rapid lateral flow test at one of the seven community test sites open in Camden. Book online: [Camden.gov.uk/rapidtest](https://camden.gov.uk/rapidtest) or check the NHS Test and Trace Map to find your closest COVID-19 test centre. You can book to collect home test-kits for pick-up from the NHS test centre open at Kingsgate Community Centre from 1.30pm - 7.30pm every day or from Ramsay Hall, 20 Maple Street, W1T 5HB also from 1.30pm to 7.30pm. Tests are fast, easy and completely free. You will have a result within half an hour. **Children of Primary school age (with no symptoms) are not being asked to take regular tests.**

Go, shine in the world and live as Jesus lived, with compassion, honesty and integrity.

Red Nose Day...

Children celebrated Red Nose Day in their classes this year with a red nose, an assembly and some jokes or a quiz. We were able to donate £240 to the charity from money that the children have raised through non uniform days. Thank you for your continued generosity.

Monday 7th June is now an inset day. This means school is closed for pupils. Staff take part in training on that day.

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

This week, Jasmin from Year 4 has been chosen for her maths.

Jasmin has worked hard this week to further her understanding of fractions and in particular, equivalent fractions. She has demonstrated a clear understanding of equivalence in her work and has been able to problem solve and reason successfully. She has also used mathematical language precisely in her explanation.

Well done Jasmin!

Our prayer ...

Today we honour Saint Joseph
He was a holy and caring man.

Saint Joseph

You were a faithful

husband to Mary and you watched over Jesus when he was a boy.

We ask you to watch over us too.

Pray for us that we will trust God in all things as you did. Amen.

If you or anyone in your household tests positive for covid, please let us know by emailing the school at

What to do if your child develops symptoms of coronavirus...

If your child is displaying symptoms of coronavirus at home or is sent home by the Head of School with coronavirus symptoms, you must arrange a test for them immediately and inform the school of the result.

Children displaying symptoms will not be able to return to school without being tested.

1. To arrange a test you should visit [nhs.uk/ask-for-a-coronavirus-test](https://www.nhs.uk/ask-for-a-coronavirus-test)
2. **DO NOT WAIT!** Your child should be tested on the same day they are showing symptoms, or the next day at the latest.
3. Please let the Head of School (Ms Richardson) know immediately when you receive the result of your child's coronavirus test by calling the school office on **0207 485 8965**
4. If your child tests positive for coronavirus, you will receive a text, email or phone call from NHS that explains what your result is and what you need to do next.
5. If your child tests negative for coronavirus, your child can return to school.

The most important symptoms of coronavirus (COVID-19)
